## EFS Checks & MoneyCodes®

Truckers Solution\* is now offering EFS Checks and MoneyCodes®, providing immediate payment or access to cash when the EFS Card isn't an option. This convenient and simple-to-use solution accommodates emergency needs or simple payments, such as roadside services, repairs, lumper fees, or purchases made at one of the few out-of-network fuel centers. Because an EFS Check works much like a personal or company check, it has nearly universal acceptance. EFS Checks are a cost-effective way to instantly issue payment or cash – 24 hours a day.

You can even issue EFS Checks and MoneyCodes® and pull reports through our dedicated app, Mobile Manager Source,™ available FREE to EFS customers.
